Featured stone fruits

GREEN FLAVOR QUEEN PLUOTS

172300 28 lb.
To look at them you would think the flavor is pucker tart, but to taste them is to experience the pleasantly sweet flavor and amber colored flesh. Great hand fruit!

RAINIER CHERRIES

118240 15 lb.
Easy to distinguish by their golden skin with red and pink highlights. Very, very sweet and very delicious. Have fun with desserts and gastriques!

CHERRIES

118180 11 lb.
It's what you've been waiting for!! Summer is just about upon us, so the time for stone fruits is kicking off! Coming from Washington State. Dark red in color, ripe flavor.

MOTTLED PLUOT

172480 2 layer
Their variegated skin is fun and interesting to look at and the reddish flesh is tender and sweet to eat. More stone fruits!

RED CURRANTS

121240 12/6 oz.
These delicate, sweet-tart clusters of fruit have a sophisticated flavor. Cherish their seasonal appearance and see what their complexity brings to your dish!

JELLY DROP GRAPES

131320 20/1 lb.
Pale red skin with just barely a suggestion of a seed inside, lets you know you're not just eating any old grape. Have fun with this new variety and get off the beaten path!

CHANTERELLES

151660 5 lb.
Imported from Europe, we welcome these lovelies back to season. A perfect summer mushroom for your menu, these are petite enough to leave whole for use in your favorite recipe.

CHAMPAGNE GRAPES

130600 16/1 lb.
Cherished for their smallish size and tight clusters, enjoy these for their delicious contribution to cheese boards, cocktail garnishes, savory preparation and more. Sweet and tender!

THOMCORD GRAPES

130660 10/1 lb.
A perfect cross between Thompson and Concord grape results in a grape that is seedless, deep purple/black hue, and sweet as can be. Try something special!

CANDY SWEET GRAPES

130665 16/1 lb.
These grapes are pale green and slightly petite. As these special varieties of grapes roll through summer, it is your fruit presentation's chance to shine!

CASABA MELONS

148600 5/6 ct.

With its pointed stem-end like a gourd, the casaba melon has a yellow rind. The pale green flesh might remind you of Asian pear, or even cucumber.

CANARY MELONS

149560 5/6 ct.

So succulent is the flesh of this melon, it almost resembles a ripe pear's appearance. Breathe in the aromas of banana and pineapple with a musky finish.

CRENSHAW MELONS

148720 5/6 ct.

Round with a slightly tapered stem-end. Yellow green rind without netting and a peach colored flesh. This melon is sweet and zesty!

HAMI MELONS

148898 6 ct.

Their netted skin and elongated body remind us that delicious comes in all shapes. Coral colored flesh with floral aromas.

GALIA MELON

148840 6/8 ct.

Pale green flesh with a succulent texture. Signature spicy sweet flavor with tropical perfumed aromatics. 13 brix as we head into the specialty melons of summer.

ORANGE-FLESHED HONEYDEW

149260 5/6 ct.

Yet another twist in the wonderful world of summer melons. Everything you'd expect in a honeydew with a pleasing pale orange flesh.

YELLOW WATERMELONS

150280 4/5 ct.

Just like traditional watermelon, except (you guessed it) the flesh is yellow. A bit sweeter flavor that will remind you of apricots and honey.

LONGAN (LOCAL)

145350 10 lb.

First cousin to the lychee and sometimes called a "dragon's eye." A special local treat, enjoy while the season is afoot!

FINGER LIMES

125225 8 oz.

Known as the caviar of the citrus world, this unique fruit is about as large as a pinky finger. You massage out the tender pearls of juice which add a "pop" to your cocktails or dishes.

TINY CUCUMBERS

120930 50 ct.

Also known as cucamelon or piquing, these darlings are the talk of the table when they show up skewered in a refreshing gin and elderflower martini. Or try them lightly pickled in a salad or antipasto.

MEXICAN SPRING ONIONS

156940 10 lb.

Also known as Chambray onions, young small bulbs in a white color, reaching up into an edible green shoot. Wonderful, tender and mild. Maybe they will help you get over the conclusion of ramp season ☺

CONE CABBAGE

112540 12 ct.

Its cabbage, but it's so much cooler than that! It is conical in shape, so cut in half or quarters it retains its unique shape for a dramatic presentation on the plate.

GOLDEN KIWI

139960 13 lb.

These pretties are ready for summer: hairless, smooth and bronzed!! The flesh is similarly structured as the traditional, but golden and with more tropical flavors. Change it up! (Available 8/3)

PETITE RED FRILLY MUSTARD

143690 8 oz.

Larger than micro greens but smaller than baby, this is a perfect accompaniment to grilled meats or a fun way to spice up your mixed greens! Beautiful and tasty!

LOCAL DRAGONFRUIT

121835 or 121845 10 lb.

These funky looking fruit come from overseas the rest of the year, but enjoy a local Florida harvest right now! Red and white flesh are available. Enjoy their kiwi-like flesh.

RAMBUTAN

180160 4.5 lb.

Funky to look at with their fuchsia-colored peel with long stringy hair, they stir up great curiosity when seen on display. Once peeled, they are similar to a lychee with a whitish/translucent and delicious perfumery flavor.
